

**REMARKS**

This application has been carefully reviewed in light of the Official Action mailed April 6, 2007. Claims 1-5 remain pending in this case.

In the Official Action, the Examiner required election of a single disclosed species of pharmaceutically active agent from those specifically disclosed on pages 12-13 of the subject specification under 35 USC 121. In response, Applicant elects the species of drugs for the treatment of ARMD (age related macular degeneration), upon which generic claims 1-5 read.

Applicant respectfully requests reconsideration of this application and favorable action on all the remaining claims in this case.
